Dear Parents of Year 6 children

As part of our ongoing commitment to online safety, we have been made aware of some resources around the BLAST project, in particular a film called All Right Charlie. The safeguarding lead for the Derbyshire County has highly recommended that all Y6 primary school children should watch and discuss the film before moving onto secondary school.

We as teachers have watched the film and feel it would be appropriate to show the Y6 children. We also feel it would be beneficial for you as parents to watch it so that you can see some of the issues which children have to deal with regarding social media and online grooming and so that you can discuss it with your child when they have watched it at school.

The film is <https://www.youtube.com/watch?v=UGEgn767XAk> or if you Google 'Blast All Right Charlie', the film should come up.

If you are unable to watch the film at home because of no or poor broadband, please let me know as we can easily set up a netbook here in school at drop-off or pick-up to allow you to watch it.

Please fill in and return the reply slip below.

Yours sincerely

Mrs K O'Connor
Headteacher
