7th September 2017

Dear Parents/Guardians,

As you will have seen a lovely new boat has arrived in the Infant playground. We are all very grateful to the PFA for offering to fund this.

We would like to invite the children to participate in a competition to create a design for the outside of the boat. The designs must be completed at home and then handed into the school office no later than Friday 29th September. Once the winner has been chosen their design will be painted onto the boat by the PFA.

We are very excited to see the children's entries and hope that they will all take part.

Good luck and happy sailing!

Yours sincerely,

Miss K Furness
