

Aims for the School

As a school community, our collective aim is that all pupils and staff have the opportunity and encouragement to fulfil their potential. We offer a safe, stimulating and challenging environment for learning which promotes high personal expectations.

We foster a dynamic, inspirational and aspirational learning culture and a strong Christian ethos which is underpinned by the British Values of: democracy, the rule of law, individual liberty, mutual respect and tolerance.

As a school team we work together to ensure and encourage a holistic approach to developing lifelong skills, a thirst for knowledge and a strong sense of self within the many roles we take in life.
