1<sup>st</sup> February 2018

Dear Parents/Carers

Next Friday, 9<sup>th</sup> February, we are having a Calculations and Cake morning. You are invited to join us in school between 8.45 - 10am to visit classrooms to see the strategies your child/ren use for calculating.

There will be a brief introductory chat from myself in the hall and then you are welcome to move around the classrooms to learn from your children some of the methods used in each year group.

We are hoping that by watching your child work through the methods, the morning will give you a clearer insight into the strategies used, so you feel more able to support your child/ren at home.

Please indicate on the slip below if you are able to attend and return it to school as soon as possible.

Yours sincerely

Miss S Bellicoso
