14th December 2017

Dear Parents,

Once again it's time to think about our trip to Lea Green at Matlock. The residential visit for all Year 5 and Year 6 pupils is great fun and addresses the 'Outdoor and Adventurous Activities' part of the PE curriculum.

We go there on Wednesday morning 20th June and will be leaving Friday 22nd June at 2pm. There is a very busy timetable of supervised activities, such as orienteering and den-building, but some recreation time too – more details of this later. As well as these activities, children gain a great deal from the informal social and group interaction that the visit provides.

We have been informed by Lea Green that due to a reduction in their budget they have had to make an increase in charges. Although the costs for activities are yet to be confirmed we have been told that this visit the total cost per child will be £180.35 (Food and Accommodation £140.70, Activity Costs £36.25 and High Ropes £3.40). Because of this it has been decided that school will subsidise the cost by £60.35 per child leaving a cost to parents of £120.00 per pupil. School will also fund transport to and from Lea Green.

Parents can choose to pay in 4 instalments of **£30** or in 1 instalment of £120.00. **We will let you have details regarding how to make payments in January.** The dates for the instalments will be:

1st instalment – Friday 9th February

3rd instalment – Friday 6th April

2nd instalment – Friday 9th March

4th instalment – Friday 4th May

We expect all pupils to attend for the full three days in order to take advantage of this residential opportunity. If you wish your child to be included, please complete and return the slip attached.

There will be a meeting at 3.05pm on Wednesday 14th February to discuss the trip further.

If you have **any** concerns about funding this activity, please have a word with Mrs Williams or myself, as soon as possible.

We look forward to an exciting time there once again.

Yours sincerely,

Mrs O'Connor

Residential Visit to Lea Green 2018

I should / should not like my son / daughter to attend
the residential visit to Lea Green on 20th June 2018
