Thursday 13th December 2018

Dear Parents and carers,

After 4 very successful and enjoyable years at Taddington and Priestcliffe Primary school, I have been offered the exciting opportunity to take over as Head Teacher of a larger primary school in Derbyshire.

It has been my very great privilege to serve as Head Teacher of Taddington since September 2014; to work with and serve our school community and to see our children grow and flourish.

The school and community have become very dear to my heart and, although it is with some sadness that I announce that I will be leaving the school at the end of the spring term, I know that the school will continue to flourish.

Taddington is a good school with a commitment to its children and wider community. We have a strong Christian ethos and a warm, caring family environment. There have been a great many people involved in moving our school forward and I am confident that the school will continue to go from strength to strength.

I would like to thank you all for your continued support and would like to assure you all that it will be 'business as usual' throughout this and the spring term.

Yours sincerely

Karen O'Connor
