Dear Parents and Carers

I would like to update you about the 'booster sessions' which are running during the spring term for year 6 children.

In order to give our year 6s the best possible opportunities for success in their SATs test in May, we have decided again to offer an after school booster club (3:05 to 4:00) on Monday evenings beginning on **Monday 14th January** and running through every Monday of term time until Easter.

I would encourage all of our year 6s to attend the after school club.

There is information on the school website about the SATs process and links to information which you may find helpful, however please speak to Mrs Williams or myself if you have any concerns or would like to talk through the process or see past papers.

Yours sincerely

Mrs K O'Connor
